

Voting Rights for Iowans

Disability Rights Iowa Know Your Rights from Door to Ballot Box

You have the Right to:

- Vote if you are 18 years of age, registered to vote and not a convicted felon.
- Register at your designated precinct with proof of residence and a state approved voter ID on Election Day. For 2018, you can still vote a regular ballot if you do not have proper ID. For 2019 and beyond you will be given a provisional ballot if you do not have ID.
- Curbside vote from the safety of your own vehicle.
- Vote, even if you are in line when the polling place closes.
- Vote by yourself or with help, as long as it is not your Employer/Agent or union representative.
- Bring a sample ballot to the polls to help you vote.
- If you are in the wrong precinct, then you must be told the correct precinct location.
- Use a signature stamp if you are unable to sign your name on the voting roll.
- Update your signature, on the spot, if there are questions about your signature verification.
- Vote even if you have a Guardian or Conservator as long as your right to vote has not been taken away by the Court.
- Vote privately and independently the way you want.
- Ask a poll worker how to fill out your ballot.
- An accessible polling place with voting machines for voters with disabilities.
- File a complaint if you think your rights have been denied, you witness voter intimidation or something is wrong at the polls.
